

Ser. No. 10/677,219

REMARKS

Claims 16 and 25 have been amended to correct, respectively, an obvious antecedence error and an obvious dependency error.

New claims 23-26 are identical to original claims 17-20, which were erroneously canceled by Examiner's Amendment.

Since the amendments to the claims are formal in nature and would not entail substantial additional work on the part of the Patent Office, entry of the amendments in accordance with prescribed procedures is requested.

Respectfully submitted,
